

	SRI SHANMUGHA COLLEGE OF ENGINEERING AND TECHNOLOGY (Autonomous) Pullipalayam, Sankari, Salem (Dt.) Department of Artificial Intelligence and Data Science
---	---

Institution

Vision

To be an institute of repute in the field of engineering and technology by implementing the best educational practices akin to global standards for fostering domain knowledge and developing research attitude among students to make them globally competent.

Mission

- Achieving excellence in Teaching Learning process using state-of-the-art resources.
- Extending opportunity to upgrade faculty knowledge and skills.
- Implementing the best student training practices for requirements of industrial scenario of the state.
- Motivating faculty and students in research activity for real time application.

Department

Vision

Envision to have Global recognition by producing high quality, creative and ethical engineers and technologists to contribute effectively through innovations and research excellence in the advancing field of Artificial Intelligence and Data Science.

Mission

- M1:** To empower the cognitive skills of the students in the pioneering domain of Artificial Intelligence and Data Science by providing content based learning with quality teaching and learning opportunities, industry institute interaction activities and centers of excellence.
- M2:** To transform professionals into technically competent to contribute to the society positively by inducing entrepreneurship skills through collaborative teaching, innovations and research.
- M3:** To forge partnerships with companies to tackle real-world challenges using AI solutions, facilitating research projects and internships to bridge academia and industry.
